

Dear Parents,

The Goddard School in Mason/Deerfield Township has made an important decision in helping you to protect your child.

According to the FBI, a child goes missing every 40 seconds, which equates to 1 out of every 42 children. The first hour that a child goes missing is critical. After the third hour the chance of finding the missing child goes down to 20%.

Guard-A-Kid offers one of the nation's top state of the art child ID systems. Kits are thorough and complete.

You will receive:

- 2 laminated wallet cards
- 1 full size ID card with all 10 finger prints
- 1 CD containing information needed by law enforcement plus more
- The ability to send information from your smart phone

With this system a missing child's information can be in the hands of law enforcement and on Amber Alert within minutes. The cost per kit is \$20 per child and \$16 for each sibling. Guard-A-Kid will be at our school during:

**Saturday, February 11<sup>th</sup> from 10:00-12:00**

**The Goddard School  
3613 Socialville Foster Road  
Mason OH 45040**
